CHOW HOUNDS

In Memory Of Linda Carlson Stahl

Sometimes I wonder what it would be like to have no one to love.
What it would be like if no one loved me. where to go, when I
need a little push in the right direction.
Or what it would be like if I had no one to talk to, when I need a
caring ear to listen to me.
What it would be like to have no one care if I live or die.
Then I think of you.
You're always there when I need someone to lean on, when I
don't know which path to take.
If I follow you everything turns out okay.
They call you my Foster Mother,
That's funny I just call you... "Mom."

Love always,
Linda
